

Mad Lib Generator

If you give a _____ a _____ he/she is going to ask for a _____.

When you give him/her the _____, he/she will want to _____. When he/she is finished, he/she will _____.

Then he/she will _____ and _____ to the _____. Since that doesn't work out, he/she will want to go to _____.

On the way, he/she will see a _____ and will want _____. Then you will have to take him/her to the _____. He/She will _____.

When he/she is done, he/she will ask you for some _____. On the way home he/she will start a game of _____.

When you finally get home, you'll have to _____. The he/she will want a _____. You'll have to find a _____ and _____. When he/she sees the _____, he/she will start _____.

Then he/she will _____ out of _____. Of course, when he/she is finished he/she will want to _____. So, he/she will ask for a _____. And chances are if you give him/her a _____, he/she is going to want a _____.
